EXPORTS FROM INDIA

07 out of top 20 generic companies are from India.

55% of India's exports are to highly regulated markets.

India has about **1400** WHO GMP approved manufacturing units

India has been accredited with approximately **1560** CEPs, more than 950 TGA formulations and 600 sites approved by USFDA which is largest in a single country outside USA.

India produces **65%** of the WHO demand for DPT & BCG and 90 per cent of measles vaccine. Indian vaccines are exported to 150 countries

Approximately **70%** of the patients in developing countries receive Indian medicines through NGOs like The Clinton Foundation, Bill & Melinda Gates Foundation, Doctors Without Borders, the UNCTAD etc
